Caution: Work Zone Ahead

Plow crews are working on the expansion of our Otter Tail Telcom services in the area of 245th street, just northeast of Fergus Falls. This is part of the Border-to-Border Broadband Development Grant Program that has issued \$19.4 million in grants to expand broadband service in unserved and underserved regions throughout Minnesota. The grants, which provide up to 50 percent of project development costs, will bring high-speed Internet to nearly 6,100 homes, 83 community institutions and hundreds of businesses statewide. Expansion work has also begun in the areas of Stuart Lake and West Swan Lake.

FRS Youth Tour

Sponsored by Park Region Telephone, Jill Maahs of Underwood recently attended the 2015 Foundation for Rural Service Youth Tour in Washington, D.C. With over 100 students from across the nation, Jill spent 4 days touring our nation's capital and attending educational sessions at the NRECA and FCC. We're happy you enjoyed your trip, Jill!

Jill shared some highlights of her trip with us.

Quick Tip: Smart Password

Did you know that for years, the most commonly chosen password in the world was “password”? Not a smart idea! Neither is using your date of birth, your address or a pet’s name. Make sure you use a password that you can remember but is hard for others to guess.

Here’s a trick for a strong and unique password. Try using the first letters of a sentence, a quote or a favorite saying. For example, ilrloh71 looks hard to remember but it actually means I love rural living on highway 71. Remember, the longer the password, the stronger it will be!

Blue’s Visit

Park Region Board Member Dan Barry and his grandson enjoyed a visit with Blue while she was in town. Blue made an appearance at the PR/OTT offices in Fergus Falls and Underwood on June 12th.
