Hey Kids!

Meet Dora on June 10th

Dora will be joining us in Fergus Falls and Underwood on Friday, June 10th! Watch our Facebook page for more details!

A Visit to the Capitol

Park Region Telephone's General Manager/CEO Dave Bickett and board representatives Candy Catoe and Dwight Hintermeister attended the NTCA Legislative Conference in Washington DC

in April where they were able to discuss important issues in our industry with Senator Klobuchar and Congressman Peterson. Nearly 500 rural telecom representatives from all over the country gathered in the nation's capital for educational briefings about emerging rules and regulations and other industry issues.

Annual Meeting Wrap Up

Over 400 people gathered at the Park Region Telephone Company Annual Meeting and Customer Appreciation Event held on April 14th at the Underwood School. This year's theme was "Lighting Up the Future." The Underwood Lions served their famous pork chops, followed by coffee and cookies in gym, served by the board of directors. Kids enjoyed popcorn and a movie while the adults attended the annual meeting. General Manager and CEO Dave Bickett gave a recap of the company's activities in 2015 and previewed the plans for the coming year. Incumbents Dwight Hintermeister, Candace Catoe and Carol Green-Kiemle were re-elected to the Board of Directors.

Customer Connection

We'd like to welcome our new customer to Battle Lake and hope you will visit their new business soon. Located in the heart of Minnesota lake country, Battle Lake Boathouse is located at 112 Lake Ave South, in the old Hardware Hank building. Their homemade pizzas are baked in a 1.6 ton bright red inferno brick oven at about 800° F. They offer

a variety of house special pizzas, build-your-own, gluten-free and Montanara-style.

Bring your family and friends and dine in their eclectic old-boathouse inspired dining room and bar or enjoy a relaxing meal under the sun and stars on the Boathouse backdoor "dock."

Dollars for Scholars

Jordan Schneeberger of Fergus Falls High School was the recipient of the Park Region Telephone/Otter Tail Telecom Scholarship awarded at the Fergus Falls Area Dollars for Scholars luncheon held in May. The scholarship is geared toward students with an interest in telecommunications and technology.

Congratulations, Jordan!

Movies in the Park

Summer is almost here and it's time for us to get out and enjoy the warmer weather. Park Region Telephone & Otter Tail Telcom would like to invite you to join us for some fun under the stars at Movies in the Park! This summer we will be showing twelve different movies on seventeen separate evenings in four different communities!

On average, 200 people gather on a Thursday evening at Roosevelt Park in Fergus Falls to enjoy a wonderful evening watching a movie in the park. We use a state-of-the-art projector on our inflatable screen with a 9'x16' viewing area. Fresh popped popcorn is available, adding to the flavor of the evening. And for those of you who like to multitask, free wireless internet is available in the park during the movie.

You can add to your evening of entertainment by attending A Center for the Arts sponsored Music in the Park starting at 6:30 pm when live music and a food vendor start off the evening before our 9 pm movie.

Typically a movie runs anywhere from \$250-\$350 per title for movie nights, dependent upon popularity. Park Region sponsors Movies in the Park as our way of giving back to the communities we serve. And although we have requests, we are not able to rent out our equipment.

We hope to see you and your family this summer at Movies in the Park, get out and enjoy the show!

FREE WIFI available at Roosevelt Park!
