### Notes

- 1) Overage charges occur when you exceed your data allowance and are assessed in 1 GB increments.
- 2) 1,024 KB = 1 MB
- 3) Unlimited Services. Prohibited Uses. We reserve the right to limit or suspend any heavy, continuous data usage that adversely impacts our network performance or hinders access to our network. Examples of prohibited uses include the following: (i) server devices or host computer applications, including, but not limited to, continuous Web camera posts or broadcasts, automatic data feeds, automated machine-to-machine connections or peer-to-peer (P2P) file-sharing; (ii) as a substitute or backup for private lines or dedicated data connections; (iii) "auto-responders," "cancel-bots," or similar automated or manual routines which generate excessive amounts of net traffic, or which disrupt net user groups or email use by others; (iv) "spam" or unsolicited commercial or bulk email (or activities that have the effect of facilitating unsolicited commercial email or unsolicited bulk email); (v) any activity that adversely affects the ability of other people or systems to use either our Service or other parties' CANNOT BE USED FOR: (1) access to the Internet, intranets, or other data networks except as the device's native applications and capabilities permit, or (2) any applications that tether your device to a laptop or personal computer other than for the use of Wireless Sync. Examples of prohibited uses include, without limitation, the following: (i) continuous mobile to mobile or mobile to landline voice calls; (ii) automated text or picture messaging to another mobile device or e-mail address; (iii) uploading, downloading or streaming of audio or video programming or games; (iv) server devices or host computer applications, including, but not limited to, Web camera posts or broadcasts, automatic data feeds, automated machine-to-machine connections or peer-to-peer (P2P) file sharing; or (v) as a substitute or backup for private lines or dedicated data connections. This means, by way of example only, that checking email, surfing the Internet, downloading legally acquired songs, and/or visiting corporate intranets is permitted, but downloading movies using P2P file sharing services and/or redirecting television signals for viewing on laptops is prohibited. A person engaged in prohibited uses may have his/her service terminated without notice or a refund.
- 4) Pricing is subject to change.
- 5) All services require the use of an approved tri-mode CDMA digital device.
