## FOX Sports North PLUS

### New Addition to Speedway Digital TV

Many of our readers are well aware that FOX Sports North televises over 300 live sporting events annually. As the exclusive local television partner of the Minnesota Twins, Wild, Gopher hockey team, and cable partner to the Minnesota Timberwolves scheduling conflicts are inevitable with just one channel.

Our solution to this scheduling conflict is to add another sports channel to our lineup! FSNorth+ is a channel used by FOX Sports North to show multiple live events, giving our viewers another option to follow their favorite teams.

Park Region Telephone & Otter Tail Telcom are excited to offer FSNorth+ to our *Speedway Digital TV* customers on Channel 133 and in high definition on Channel 733.

**Look at [www.foxsportsnorth.com](http://www.foxsportsnorth.com) to see a schedule of events coming your way. For more information or to sign up for our exclusive *Speedway Digital TV*, give us a call at 218-998-2000.**
